

**ASSESSING A PERSON'S REQUEST TO HAVE AN ANIMAL AS A  
REASONABLE ACCOMODATION UNDER THE FAIR HOUSING ACT  
SERVICE DOG ANALYSIS**

Performing “work or tasks” means that the dog is trained to take a specific action when needed to assist the person with a disability.

- If the individual identifies at least one action the dog is trained to take which is helpful to the disability other than emotional support, the dog should be considered a service animal and permitted in housing, including public and common use areas. Housing providers should not make further inquiries.
